

Noah's Ark May Newsletter 2026

Dear Parents,

I hope you are all well!

We are well into the summer term during which we are expecting some lovely events namely Living Eggs (chicks!); Sport's Day; Multicultural Day and a Dance presentation (please see diary dates below). Our topics for this term will feature around Planting, Road Safety, Life cycles, Holidays, Science week, Transition to school and Celebrations.

Towards the end of June, we will be sending out end of year reports together with the Learning Journal on Tapestry.

The Committee kindly agreed for the team to celebrate our fantastic Ofsted Inspection result of **Strong Standard** with a meal for which we are very grateful.

Thank you for reading our news!

Kind regards

Bettina Campion

Monthly healthy lunch time winners

The winners for April/May are Justin and Celina. Well done! 😊😊😊

Ofsted Inspection report

The report of our recent inspection has now been published on the website and can be accessed via this link [Noah's Ark Pre-School - Open - Find an Inspection Report - Ofsted](#)

Lenten Project Sponsored Egg Decoration

As a reminder we managed to fundraise £122 for the Lenten Project. The money was handed over to the Priest by Justin, Gabby, Shakya and Athina.

Pentecost celebration and preparation

Father Michael invited all at Noah's Ark Pre-school to take part in the preparation and celebration of Pentecost. Please see separate email for further explanations.

Noah's Ark Committee News!

I am very happy to report that **Caleb Dadson**, Gabby's dad, has been elected as our new Chairperson. Caleb has sent all his three daughters to Noah's Ark and served on the committee for several years. He is well known and respected by the whole team and parents. We wish him all the best for this important role.

If you are interested in joining the committee and shaping the pre-school please let us know.

Projects for Noah's Ark

New soft flooring for outside will be arranged for the beginning of the summer term. Due to the length it takes to install, we cannot start this project any earlier. We hope that it will enhance the look of the playground and, more importantly, make it safer for children. Additionally, we are ordering a new mud kitchen for outdoors and new safety flooring in the Cosy room and kitchen area.

Dates for your diary
